\* This number does not agree with the number of children discontinued for non-payment of premiums, because some children who were in households that failed to pay premiums were actually discontinued for another reason. Children discontinued solely for non-payment are reinstated if payment is made in full before month-end.

\* This number does not agree with the number of parents discontinued for non-payment of premiums, above, because some were also discontinued for another reason and are included in the count for that reason. Those discontinued solely for non-payment are reinstated if payment is made in full before month-end and are also not included in the count under "reasons for discontinuance".
